## Frequently Asked Questions about your Accident Protection Plan (APP)

Am I eligible for coverage?	You are eligible if you are working a minimum of working a minimum of 30 hours per week and considered benefit eligible by your employer.
What does Accident Coverage provide me?	Accident coverage helps to provide financial protection against the unexpected expense of a covered accident.
What is considered an accident?	An Accident is an unforeseen event that occurs suddenly as the result of trauma and results in bodily injury. For a benefit to be payable, the accident must occur while coverage is in force.
Who pays for my coverage?	Your employer has made coverage available to all eligible employees on a voluntary basis, which means you pay your premiums if you elect the coverage.
When does my coverage go into effect?	You must be Actively at Work with your employer, as defined in your plan, on the date your coverage is scheduled to take effect. Otherwise, your coverage takes effect when you return to Active Work.
Can I receive a benefit for more than one accident per plan year?	Yes. Benefits are payable per accident, regardless of the number of accidents that occur.
I had an accident that resulted in a broken leg before I elected the Accident Protection Plan and am still seeing my doctor and undergoing physical therapy. Would I be eligible for any of the benefits on the plan?	For a benefit to be payable, coverage must be in force on the date of the accident. Therefore, in this situation, because the accident occurred prior to the coverage effective date, a benefit would not be payable.
